790 and 990 john deere tractors | Tractor Forum

790 and 990 john deere tractors Went to the JDJD dealer today to look at and price small tractors. Looked at the 4310 but after I got there the salesman showed me the 790 series and the 990. I liked them lil better cause of price and simplicity. Does anyone own one or know if they are a good tractor? Probably going to go with a 990.
