trout (1876, American English) so called for its resplendent colors. Old English also had scurboga "shower-bow."

What is another word for inferred? | Inferred Synonyms ...

Find 724 synonyms for inferred and other similar words that you can use instead based on 18 separate contexts from our thesaurus. What's another word for What's the opposite of

meaning

The passive voice, of course, makes it possible to entirely omit any explicit reference to the person doing the action and still use to infer. One can thus say: A has been inferred from B, A is inferred from B, A can be inferred from B. The last of these is interchangeable with 'A is entailed by B'.
